

PROJECT DETAILS

Client: Southern Water

Site: Newhaven

Application:

Replace the annular cage in a carbon filter and other minor repairs to the OCU

Scope:

- Remove and dispose of the corroded, failed cage
- Supply and fit a new cage using the original dimensions but with ERG's improved design and fabrication method
- Supply and install replacement carbon media
- Small PVC pipe repairs as required
- Fan overhaul

Year delivered: 2023
